A

Absorbents — Polyzorb absorbent from Cynate Industries designed to soak up petrochemical spills ..... N Dec 12 76
Abu Dhabi — Morocco negotiates new outlets for phosphates ..... N Nov 7 19

Accounting
Stauffer Chemical: Why SEC cited Stauffer ..... Aug 22 10
Switch from DISCs to FSCs on Jan. 1: Advice to exporters ..... N Oct 10 11
More advice on chemical companies' FSCs ..... N Oct 17 13
Acetic Acid — Prices ..... N July 4 29

Acetone
Enex seeking a market for acetone derivatives in gasoline ..... N Oct 3 36
— Letter ..... Oct 24 5
Prices ..... N Aug 22 16

Acetylene
BASF Wyandotte acquires additional 10% stake in Borden's acetylene plant at Geismar, La. ..... R Sept 5 22
Production slipped in August ..... N Nov 28 97
Acquisitions and mergers see **Industry Developments**; also see under individual companies in **Company Index**
Acrylamide — EPA will not require health tests on acrylamide ..... N Aug 8 40
Acrylates — Prices ..... N Sept 19 45

Acrylic Acid
BASF's U.S. push in specialties: Badische expansion at Freeport, Tex. ..... Nov 28 14
Capacity climbing ..... R July 4 16
Prices ..... N Sept 19 45
Producers catch expansion fever (table) ..... N July 11 14

Acrylics
Cyro Industries to increase capacity ..... R Aug 22 15
French firm, Norsolor, will hold 50% share in Shomalor, joint venture company with Japanese ..... N Aug 1 21
Goodrich expands acrylic latex products plant at Pedricktown, N.J. ..... N July 18 9
Rohm and Haas expanding Plexiglas melt-calendering acrylic sheet facility at Kensington, Conn. ..... R Nov 14 16

Acrylonitrile
Dow to buy Uniroyal's acrylonitrile-polymers business ..... N Sept 12 9
Monsanto's bottle resin cleared for use in nonalcoholic-beverage bottles: Cycle-Safe bottles ..... N Sept 26 9
Propylene markets (charts) ..... Oct 10 34
Acrylonitrile-butadiene-styrene (ABS) see **Plastics**

Additives
Animal feed additives see **Animal Feed**
Antiknocks see **Antiknock Compounds**
Color additives: HHS enforcement of color-additive rules probed ..... N Oct 10 58
Dow's Sarabond mortar additive: one lawsuit settled; 20 more to go ..... N Sept 5 11
ICI's antimisting additive will be tested by FAA in jet crash ..... N July 11 52
— Corrections ..... Aug 8 5
A fuel additive flunks its test ..... Dec 12 16
TEL: How the TEL producers are hanging tough (chart) ..... Dec 19 46
Tin additives cut poisoning of cracking catalysts ..... N Aug 15 32
Wood stoves: Countering creosote and fumes in wood stoves ..... Aug 1 23
Additives, Gasoline see **Gasoline**

Adhesives
Anaerobic adhesives: Henkel offers improved line ..... N Sept 12 37
Automotive: Chemical makers eye 'foreign' cars with U.S. parts (chart & table) ..... Dec 5 10
Cyanoacrylate adhesive for electrical components ..... N Aug 8 32
Hot-melt adhesives: Binders battle for the nonwovens ..... Aug 29 24
Timminco-Findley: U.S.-Canadian joint venture in adhesives ..... N Dec 19 7
UV-cured adhesives from Loctite hit the assembly line ..... Sept 26 14
Adipic Acid — BASF introduces new process ..... N July 4 36
Adsorption — Pressure swing adsorption: Enriching air with oxygen — cheaply ..... July 25 36

Advertising
Aspartame under fire — again: Sugar Assn. challenges claims in Searle's advertising ..... Aug 29 16
Milk container controversy: SPI complaint aims to stop Paperboard Packaging Council ad claims ..... R Oct 24 21
The Olympics: How the CPI competes ..... July 25 25
P&G-Chesebrough-Pond's advertising nonruling is appealed ..... R July 4 16
When it comes to image, you must stay the course — Viewpoint (chart) ..... July 11 3
— Letter ..... Aug 15 5

Aeronautics
Aerial market for flame-resistant fibers N Nov 7 9
Aerospace: Harsh arena for fibers and resins ..... Sept 26 10
Composites make the grade in helicopters ..... Oct 10 18
Eyes in the sky. How EPA spots illegal dump sites ..... Aug 1 30
ICI's antimisting additive will be tested by FAA in jet crash ..... N July 11 52
— Corrections ..... Aug 8 5
A fuel additive flunks its test ..... Dec 12 16
Xerkon, joint venture of Shell and Proform, to make and market composite structural parts for aircraft ..... N Oct 31-9 ..... Nov 21 20

Aerosols
Dimethyl ether prices ..... N July 18 27
Piston technology to expand aerosol markets ..... N Oct 31 96
Texas's "lockup" law intimidates retailers of anything in a spray can ..... Nov 7 15
Africa see individual countries

Agricultural Chemicals
Agricultural-patent bill (H.R. 5529) hits a snag ..... N Aug 8 40
BASF Wyandotte begins construction of agricultural-chemicals research center in N.C. ..... R Aug 1 17
Brazilian bill to prop its ag-chemical market ..... Oct 31 16
Congress approves creation of agriculture study commission to recommend ways to improve the export market for U.S. farm products ..... N Aug 22 8
Eastman Kodak investment in ICN Pharmaceuticals: Antiviral flier may pay off in ag-chemicals, too ..... July 11 15
Great Britain: pesticide regulation advances ..... N Aug 29 20
Monsanto opens an agriscience lab in Japan ..... N July 25 40
NACA mulls compromise with environmentalists on priority bills: patent-term-restoration legislation for farm products ..... N Aug 29 52
Plant-growth regulators: low profile, high hopes ..... Sept 12 22
Stauffer tightens its belt in agricultural chemicals ..... N Sept 5 11
Agricultural Chemicals see also **Herbicides; Insecticides**

Agronomy
Eutectic salts may prevent frost damage to plants ..... N Dec 19 29
Propagating date palms with tissue culture ..... N July 25 40
Stevioside: High-power sweeteners from the stevia plant ..... Nov 14 42

Air Pollution
Acid rain
Clouds affect acid rain formation: SAI study ..... N July 11 52
Northeastern states continue fight on acid rain ..... N Dec 12 92
OSTP is accused of acid-rain holdout ..... N Aug 29 52
Sodium bicarbonate: acid rain neutralizer? ..... R Sept 5 22
Three states, N.Y., Pa. and Me., gear up to sue on acid rain ..... N Sept 5 58
Auto plastics: Better coatings, tighter emission lids ..... Oct 3 11
Automobiles: Engelhard boosts its auto catalyst output in Germany ..... N Dec 19 18
Benzene see **Benzene**
Bubble policy
A 'bubbly' win for EPA policy: High Court okays dealing with a plant's emissions as a single source ..... July 4 14
Clean Air Act
When setting clean air rules, conciliate: APCA 77th annual meeting ..... July 4 14
Coke oven emissions; EPA will list coke oven emissions as hazardous N July 25-44 ..... N Sept 12 60
POM: EPA may delay regulation decision ..... N July 25 44
EPA decides not to regulate POM ..... N Aug 15 52
Three states gear up to sue on acid rain ..... N Sept 5 58
EPA's new penalties for stationary-source violations ..... N Oct 3 40
The 'cross-media problem' of pollution control ..... N Nov 14 48
EPA's 'leakage' guidelines: Why EPA's 'leakage' guidelines worry industry (table) ..... July 18 25
EPA toughens up on chronic violators N July 25 44
Gypsum stacks: debate over radiation emissions prompts EPA to reopen study of Florida waste gypsum piles Oct 3 16
Lead additives see **Gasoline**
Monsanto to offer free use forever of dibasic acid mixture to utilities for use in reducing SO_2 emissions ..... N Sept 12 9
Regional haze will be studied by EPA task force ..... N Nov 21 72
SO_2 dry scrubbing: More work for sodium (chart) ..... July 18 34
Wood stoves: Countering creosote and fumes in wood stoves ..... Aug 1 23
Air Pollution see also **Environment**
Air Pollution Control Assn. — Annual meeting (77th): When setting clean air rules, conciliate; Padgett installed as new president ..... July 4 14

Alcohol
Brazil seeks to export surplus alcohol to U.S. ..... N Oct 31 20
Dow offering new way to make methanol blends ..... N Oct 31 96
Ethanol see **Ethanol**
Ethylene-vinyl alcohol copolymer: Eval Co. of America will build EVOH facility in Houston, Tex. ..... N July 25 9
Fuel-grade alcohol gets new boost: Du Pont petitions EPA to permit 5% methanol in unleaded gasoline ..... July 18 12
Gasohol see **Gasoline — Gasohol**
Getting mixed alcohols from synthesis gas ..... Nov 7 28
Methanol see **Methanol**
TBA Arco studying second European plant ..... N Oct 24 24
Aldehydes — Analysis of mellitic anhydrides: Mitsubishi technology, carbonylates xylenes or pseudocumene to aldehydes ..... N July 11 52
Algeria — Japanese firms will build ammonia storage-shipment plant for Sonatrach ..... N July 18 17

Alloys
Aluminum-lithium alloys strike back at composites ..... N Sept 19 66
Cabot develops more corrosion-resistant alloy ..... N Nov 7 38
Ferroalloys: Competition is still fierce (chart) ..... Sept 5 30
Polymer alloys: Allied's alloys — IPN plastics leave the lab ..... Nov 14 12
Tantalum alloy, new high-strength alloy ..... N Nov 21 55

Aluminum
Aluminum-lithium alloys strike back at composites ..... N Sept 19 66
Australian natural gas starts to flow to customers ..... N Aug 29 20
Canada: Alcan postpones indefinitely Kemano Completion Project in B.C. ..... N Nov 7 30
Consolidated to reduce smelter production at New Johnsonville, Tenn. N July 25 34
Martin Marietta's whopping write-off on an aluminum divestiture ..... N Oct 24 9
Prices: weakening in aluminum ingot N July 25 34
Reynolds Metals shuts down two potlines as BPA incentive program arrives too late ..... R Aug 1 17
Aluminum Sulfate — Prices ..... N Oct 10 33
Alzheimer's Disease and Related Disorders Assn. — Allied funds aging research ..... R Dec 5 18
American Anti-Vivisection Society — Animals in testing. How the CPI is handling a hot issue ..... Dec 5 36
American Chemical Society — National meeting (188th): Boosting biotechnology's yields ..... Sept 5 36

American Council on Transplantation
Organ donation: educating the public
Don't let Dow get away with it all — Viewpoint ..... Dec 5 13
Organ transplant group finds a donor in Dow ..... Dec 5 18

American Gas Assn. — Study finds gas could replace oil if the Mideast war escalates ..... N July 11 64
American Industrial Health Council — OSTP statement: Misgivings over a 'consensus' on carcinogenesis ..... Aug 29 10

American Paper Institute
Coated paper: Rising prices in a tight market (chart) ..... Sept 19 14
A healthy outlook for paper and paperboard output ..... N Dec 5 31
American Productivity Center — Making productivity everyone's job ..... Sept 12 38
American Productivity Management Assn. — Making productivity everyone's job ..... Sept 12 38
American Society for the Prevention of Cruelty to Animals — Animals in testing. How the CPI is handling a hot issue Dec 5 36

(N Newsletter, R Wrap-up)

American Society for Testing and Materials — HUD okays new guideline for making PVC windows ..... N Aug 15 52
American Society for Virology — Microbiologist Grossberg reports on interferon's role in cell binding ..... N Aug 15 32

American Trucking Assns.
Motor Carrier Safety Survey Program: A new coalition to survey safety in chemical shipping (table) ..... Sept 5 12
Forming a coalition to improve shipping safety ..... N Sept 12 60
Motor Carrier Safety Survey Program: Nice guys may be back in style — Viewpoint ..... Sept 12 3
American Waterway Operators — ACL-CSX merger opposed ..... Aug 1 14
Amines — Methylamines: Air Products rescinds price hike ..... N Nov 14 18

Amino Acid
Boosting biotechnology's yields: amino acids from low-cost starting materials ..... Sept 5 38
L-lysine: A push for U.S.-made L-lysine (chart) ..... Sept 5 18
Sunlight triggers this 'natural' herbicide Oct 24 34
Thailand plant will use Ajinomoto technology ..... N July 18 17
Amino Acid 1-Phenylalinine — Cell Products: Digging its way out of default ... Aug 1 15
Aminolaevulinic Acid — Sunlight triggers this 'natural' herbicide ..... Oct 24 34

Ammonia
Algeria: Japanese firms will build ammonia storage-shipment plant for Sonatrach ..... N July 18 17
Badische to build Freeport, Tex. facility for unloading — from ships and barges — and storage of ammonia . N July 25 34
China's lure for Kellogg Rust ..... Dec 5 14
Dutch gas prices irk Europe's fertilizer producers ..... N Aug 15 26
Fertilizers had a super year. But trade problems could mar the next one (charts) ..... July 18 28
Grace pumps up its ammonia capacity in Trinidad ..... N Sept 5 11
Japanese cutbacks ..... N Aug 29 20
Saudi Arabia's petrochemical projects make competitors sweat (tables) ... Nov 21 56
Toyo and Kellogg renew an ammonia pact ..... N Oct 24 24
Ammonium Nitrate — Spain's Enfersa gets OK for plant ..... N Nov 28 24

Ammonium Sulfate
Japanese sign export deal with China N Sept 12 45
Philippines plant to come onstream next month ..... N Aug 1 21
Analysis — Australian method for determining trace amounts of gold in water . N Aug 1 35
Anhydrides — Analysis of mellitic anhydrides ..... N July 1 52
Aniline — Prices ..... N July 4 29
Animal Drugs — Agricultural-patent bill (H.R. 5529) hits a snag ..... N Aug 8 40

Animal Feed
Allied funds research for study of the diets of laying hens aimed at cutting costs of broken egg shells to the poultry business ..... R Oct 3 17
Antibiotics in animal feed: Controversy hits a $250 million/year additives market ..... Oct 10 44
— Letters Oct 31-5, Nov 7-5, ... Dec 5 5
Antibiotics may be banned from animal feed ..... N Sept 19 72
L-lysine in cow and cattle feeds markets show promise ..... Sept 5 19
Animal Health — Eastman Chemicals plans animal nutrition research center ..... R July 25 16
Animal Liberation Front — Animals in testing. How the CPI is handling a hot issue ..... Dec 5 36
Anthraquinone — Scheide Chemie naphthalene-based anthraquinone process bites the dust ..... N Sept 26 41

Antibiotics
Antibiotics in animal feed: Controversy hits a $250 million/year additives market ..... Oct 10 44
— Letters Oct 31-5, Nov 7-5, ... Dec 5 5
Beecham Labs' broad-spectrum antibiotic, Augmentin, gets FDA approval ..... N Aug 22 63
An antibiotic to inactivate resistant bacteria ..... N Sept 26 41
Dual-drug delivery system developed by Moleculon BioTech is basis for wound dressing ..... N Oct 17 64
FDA drops an animal test for antitumor drugs: proposal to delete the LD50 testing requirement ..... N Nov 21 72
Legislation may ban antibiotics from animal feed ..... N Sept 19 72

Antifreeze
Dow's farewell to U.S. packaged antifreeze: Dowgard and private-label sales to be dropped (table) ..... Oct 31 12
Prices ..... N Nov 7 30

Antiknock Compounds
Antiknock producers prepare for a low-lead decree: Ethyl and Nalco consider shutdowns ..... N Aug 22 8
FTC will not appeal decision involving antiknock marketing ..... R Sept 26 23
Petrochemical use of butanes will rise as lead-alkyl antiknock use falls ... N Sept 19 13
TEL: How the TEL producers are hanging tough (chart) ..... Dec 19 46
Antimony Oxide — Prices N Aug 22-16, . N Nov 21 40
Antioxidants — Prices N July 4-29, ... N July 11 32

Antitrust
Hydrogen peroxide producers (5) fined in Europe ..... N Dec 5 22
Resale price maintenance: two disparate high court decisions spark controversy Dec 12 18
Waste Management indicted by Justice for alleged antitrust violations ..... Aug 8 16
"The Apocalyptics" by Edith Efron: Riding herd on the 'apocalyptics' — Viewpoint July 25 3
— Letter ..... Aug 22 5
Area Development — California's new push to woo biotech firms ..... July 11 16

Argentina
Methanol project gets financing ..... N Oct 17 34
World-scale urea plant proposed ..... N Dec 5 22

Argon
Air Products plans gas plant in Orlando ..... N Dec 19 18
Atmospheric gases make it big in electronics ..... Nov 14 40
Production up in August ..... N Nov 28 97

Aromatics
Aromatics could benefit from a U.S. lead ban ..... N Aug 8 25
Prices, inventories, imports N July 25-34, ... N Aug 15 18
Arsenicals — EPA limits the use of three wood preservatives ..... N July 18 40
Artichokes — Cynarin may be responsible for beneficial properties attributed to the plant ..... N Oct 3 25

Asbestos
Asbestos substitutes: The urgent search for asbestos substitutes ..... July 11 54
Philadelphia judge allowing an asbestos class action suit to proceed ..... N Oct 10 58
Ashley, Joseph, new president of Genetic Systems: Genetic Systems taps a pro . Nov 14 16
Asia see individual countries
Assn. of American Feed Control Officers — Chitosan as a precipitant for protein for use in food-processing plants gets tentative approval ..... Sept 19 42
Atomic Industrial Forum — Hodel assures the nuclear power industry that the Reagan Administration will push for power plant licensing reform ..... N Nov 21 72

Atomic Power
Allied General Nuclear Services: Barnwell, S.C. nuclear plant pleads the Fifth ..... July 11 18
Canada's drive for hydrogen energy ... Aug 15 28
Consumers Power's Midland plant: the pending nuclear plant showdown at Midland ..... N July 11 52
CP files request for rate hike to recover costs for two nuclear power plants that have been cancelled N Aug 8 32
Dow charges Consumers Power withheld information about problems in the utility's Midland nuclear project . N Oct 24 9
Dow charges a cover-up in Consumers Power suit ..... Oct 31 87
Licensing: A revival for nuclear power plant licensing reform? ..... N Nov 21 72

Australia
Broken Hill: new source for battery-grade manganese ..... N Aug 22 63
Comalco's kaolin expansion ..... N Oct 31 20
CSIRO method for determining trace amounts of gold in water ..... N Aug 1 35
CSIRO's X-ray source is a cylindrical glass tube under vacuum ..... N Nov 28 105
ICI Australia halts caustic production at Osborne ..... N Oct 31 20
Joint venture to study soda ..... N Nov 14 29
Monoclonal assay detects blood clots ..... N Aug 22 63
Natural gas starts to flow to customers ..... N Aug 29 20
Westralian Sands plans synthetic rutile plant ..... N Nov 14 18

Automation
Center for Process Analytical Chemistry formed for research on the analysis of automated processes ..... N Dec 12 76
Compatible computers on the factory floor: Du Pont adopting MAPS (Manufacturing Automation Protocol Standard) ..... Sept 26 16

Automobiles
Antilacerative glass goes commercial in Detroit ..... Aug 8 22
Auto industry suppliers brace for a walkout (chart) ..... Sept 12 10
Catalyst makers look to Europe ..... Oct 31 98
Catalysts: Engelhard boosts its auto catalyst output in Germany ..... N Dec 19 18
Catalytic converters: Degussa expansion in Germany ..... N Oct 3 18
Chemical makers eye 'foreign' cars with U.S. parts (chart & table) ..... Dec 5 10
Coatings: Du Pont betting on Australian technology ..... N July 11 13
Coatings: Helping Detroit woo consumers ..... July 4 30
— Clarification ..... Aug 8 5
Contract settlements: "incredible advances" in worker safety and health ..... N Nov 7 44
GM strike: chemical suppliers are nicked in short strike ..... N Sept 26 9
Lead additives see **Gasoline**
Plastics poise on the brink of a breakthrough ..... Oct 3 10

Awards
Affleck, James G. will receive the Chemical Industry Medal of the Society of the Chemical Industry ..... R July 25 16
Nobel Prize research with 'practical' merit: Merrifield winner for work in peptide synthesis ..... Oct 24 19
Azodicarbonamide — Blowing agents prices N Aug 1-25, ... N Sept 5 39

B

Bacteria
Beecham Labs' broad-spectrum antibiotic, Augmentin, gets FDA approval ..... N Aug 22 63
An antibiotic to inactivate resistant bacteria ..... N Sept 26 41
Monsanto readies genetically engineered microbial pesticide ..... Dec 19 13
PCB-destruction process from Detox Industries approved by EPA ..... N Aug 29 44
Seattle considering use of bacteria to decontaminate bunker fuel oil tainted with PCBs ..... R Sept 19 28
Speeding bioreclamation of contaminated sites: FMC's hydrogen peroxide technique ..... Nov 21 32
Speeding bioreclamation of contaminated sites: FMC's hydrogen peroxide technique ..... Nov 21 32
— Letter ..... Dec 12 4
Viral insecticides for chemical-resistant bugs ..... Aug 29 32
Barges — Mixed-carrier mergers draw fire ..... Aug 1 14
Barium Carbonate — Bad news for barium carbonate despite antidumping action . July 18 14
— Letter ..... Aug 29 5
Barium Chloride — ITC rules Chinese barium chloride imports are injuring Chemical Products ..... N Oct 3 36

Batteries
Battery business' bold moves into high technology ..... Nov 28 12
Broken Hill: new source for battery-grade manganese ..... N Aug 22 63
Foote Mineral's New Johnsonville, Tenn. plant for EMD for battery market .. N Oct 31 9
Power Conversion to establish a manufacturing facility for lithium batteries. R Aug 8 17
The slow, sure advance toward better batteries: lithium-metal sulfide model may power a vehicle in 'four to five years' ..... Nov 28 98
Beer — For brewers, making beer isn't enough: Coors et al extend fermentation skill to specialties and drugs ..... Aug 15 16

Belgium
Amoco considers TMA expansion at Geel ..... N Dec 12 65
Feedstock price relief for producers from Dutch supplier ..... N Aug 8 18
Solvay America, new holding company, seeks acquisitions ..... N Dec 5 9

Benzene
Benzene: Cracks in the pricing structure (charts & table) ..... Aug 29 46
— Letter ..... Nov 7 5
Canada: Polysar will not rebuild Sarnia benzene unit; will increase purchases and production at Petrosar plant .. N Aug 1 25
Inventories plunge ..... N July 18 27

Inventories rise ..... N Nov 21 40
OSHA: unions go to court to get a benzene rule by August ..... N Dec 19 54
Output and inventories rise ..... N Sept 12 51
Prices N July 25-34, N Aug 1-25, N Aug 8-25, N Aug 15-18, N Sept 19-45, N Sept 26-47, (letter Oct 31-5)..... N Nov 21 40
Prices: contract prices slide again... N Oct 17 28
Sohio's push into benzene: the shifting benzene lineup (table)..... Oct 17 16
Benzenoid — Big gains for benzenoid imports (table)..... Aug 15 11
Benzophenone — Upjohn ups production capacity 50%..... R Oct 24 21
Benzoyl Chloride — Prices ..... N Oct 10 33
Beta Blockers — Production Technique slashes the cost of a beta-blocker ingredient..... N Oct 31 96

Beverages
Cyclodextrin polymers for removing bitter compounds from citrus juices. N Sept 19 66
Fructose makers still bet on soft drinks (chart) ..... Nov 7 27
— Letter ..... Dec 12 4
Bioassay Testing see **Testing**
Biology — Molecular biology 'network', Intelligenetics' computer system, Bionet..... July 25 14

Biomass
Sawmill waste and tropical wood will fuel utility power station in French Guiana ..... N Nov 7 38
Wood as a boiler fuel takes a big step in Brazil ..... Nov 28 20

Biotechnology
Biogen: Consolidating Biogen's divided house ..... July 4 37
Bioscot 'brokers' in monoclonal antibodies ..... Oct 10 16
BioTechnica International's new president and chief operating officer Ralph W. F Hardy, former R&D chief at Du Pont ..... Dec 12 12
Biotechnology: Getting it right from the top — Viewpoint..... Nov 14 3
Boosting biotechnology's yields: ACS meeting ..... Sept 5 36
Brewers extend their fermentation skill to specialities and drugs..... Aug 15 16
California's new push to woo biotech firms..... July 11 16
Celanese buys into Endotronics; Air Products forms Apcel Ltd. joint venture with Celltech ..... N Nov 7 9
Du Pont opens biomedical lab in Billerica, Mass..... N July 25 40
Elf: Building 'a very nice house' with chemicals ..... Dec 19 20
Federal regulation: Choosing the best bioregulator ..... Oct 31 14
Genentech grants Fujisawa exclusive rights to market lymphotoxin in Japan..... R July 25 16
"Guidance document" will be published in the *Federal Register*: Smith at CMA meeting..... N Nov 7 44
"Guidance document" will suggest a board to coordinate biotechnology regulation..... N Dec 19 54
How to keep U.S. biotech No. 1: Commerce Dept. report ..... Oct 31 13
NACA forms a biotechnology study group..... N Sept 26 58
Navy contract to North Carolina Biotechnology Center for biotechnology research into materials sciences.. N Oct 17 64
Sales and earnings: Biotechnology profits remain elusive (table)..... Oct 3 26
Stanford wins biopatent No. 2 on r-DNA molecule known as plasmid..... Sept 12 14
bis-Chloromethly Ether — Rohm and Haas: Philadelphia lawsuits allege a carcinogen cover-up ..... N July 18 9

Bismuth
Price rises spark renewed output.... N Nov 28 97
Prices ..... N Aug 29 36
Bisphenol A — Prices ..... N July 18 27
Bitumen — ART process can also upgrade bitumen..... N July 18 32

Blood
AIDS: Five groups will produce and test a virus to help detect antibodies associated with AIDS ..... N July 4 36
Artificial blood composed of an emulsion of lipid-coated perfluorochemical licensed by Du Pont from Univ. of Pa..... N Nov 21 55
Australian monoclonal assay detects blood clots ..... N Aug 22 63
Blood substitutes: A rising tide of research ..... Dec 12 82
Smith Kline & French and Biogen sign agreement to jointly develop tissue plasminogen activator ..... N Aug 15 32
Blowing agents — Prices N July 4-29, N Aug 1-25,..... N Sept 5 39

Boilers
Fluidized-bed combustion: Placing bigger bets on fluidized-bed boilers (diagram)..... Oct 17 39
Japan: Ube Wormser to produce coal-fired boilers..... N Aug 8 32
Packaged boilers that fire waste heat.. N Oct 10 38
Solvent recovery: small packaged units distill dirty solvents, keep volumes under RCRA limits (diagram) ..... Nov 7 20
Wood as a boiler fuel takes a big step in Brazil ..... Nov 28 20
Bolivia — Comibol to reopen Quechisla bismuth mine and refinery..... N Nov 28 97
Bonding — Binders battle for the nonwovens..... Aug 29 24
Bonneville Power Administration — Incentive program too late to keep Reynolds from shutting down two aluminum potlines ..... R Aug 1 17

Bottles
Georgia-Pacific designs blow-molded bottles, 'Kangaroo' bottles, for hospital sterilizing solutions..... R Oct 10 22
Monsanto's bottle resin cleared for use in nonalcoholic-beverage bottles: Cycle-Safe bottles..... N Sept 26 9
Motor oil: a new twist for plastic-packed lube oil; SAY's elephant's trunk design..... Oct 24 29
Pennzoil to distribute motor oil in plastic bottles ..... R Nov 28 17
Plastic containers — now even the glassmaker's choice (charts)..... Sept 12 46
Pet bottles
High court keeps liquor in PET bottles ..... N Dec 12 92
Milk container controversy: SPI complaint aims to stop Paperboard Packaging Council ad claims ... R Oct 24 21

Brazil
Bill to prop its ag-chemical market .... Oct 31 16
Celanese will sell a Brazilian nylon operation to Rhodia..... N Nov 7 19
Chlorobenzene plant planned ..... N Sept 5 26
Dow Quimica's Enrique J. Sosa, president: Guiding Dow Quimica with a survivor's instinct ..... Aug 8 36
— Letter ..... Sept 12 5
Dow sells polystyrene unit to Estireno do Nordeste..... N Oct 10 24
Dow to buy stake in styrene producer, Estireno do Nordeste ..... N Aug 1 21
Ethyl alcohol producers seek to export surplus sugarcane alcohol to the U.S. ..... N Oct 31 20
ICI plans polyester film plant ..... N Sept 5 26
Itaipu Island hydroelectric power venture..... Aug 15 31
Potash imports boosted ..... Oct 24 44
Private firms bid for phosphoric acid plant ..... N Sept 12 45
Wood as a boiler fuel takes a big step in Brazil ..... Nov 28 20
Brewing — For brewers, making beer isn't enough: Coors et al extend fermentation skill to specialties and drugs ..... Aug 15 16
Brine — Dow cleans up its brine operations: Midland distribution system being renovated ..... Aug 29 30
Dow will close its Midland brine facilities ..... N Oct 24 33
British Agrochemicals Assn. — Pesticide regulation advances ..... N Aug 29 20
Bromides — Prices for solutions and powders ..... N Dec 19 18
Bromine — Markets: For bromine, market winds blow many ways (table) ..... Oct 10 12

Butadiene
Petro-Tex finds a new home ..... July 4 11
Regulation: A flap over which agency should regulate butadiene..... N July 25 44

Butanediol
BASF's U.S. push in specialties: plant at Geismar, La..... Nov 28 14
